## Year 7 Art and Design

Why we think this is important for you: Learning Art and Design enriches the experience of studying while at school as well as preparing students for life after school. Art subjects encourage self-expression and creativity. It can also build confidence as well as a sense of individual identity.

### What are the big ideas and concepts I will cover this year?

- How to create realistic drawings using pencil, focusing on value, gradient and directional shading.
- The purpose of Colour Theory and how it is such a relevant topic.
- How to colour like an artist.
- We will explore and experiment with materials professional artists use, such as watercolour and biro.
- We will research Artists and Art History, taking influence from their style and specific movements.
- We will grow in our resilience and confidence, by pushing ourselves out of comfort zones.
